

Frequently Asked Questions

B Infinite Pay

1. What is B Infinite Pay?

B Infinite Pay is an e-money payment instrument that allows you to pre-load money into the e-wallet that resides in the B Infinite mobile application. Money will be deducted from the e-wallet whenever you perform purchases via QR payment, in-app purchase or peer-to-peer (P2P) transfer anywhere & anytime within Malaysia.

2. What are the features of B Infinite Pay?

- Payment for goods or services using QR Code
- In-app purchases
- Earn BPoints at participating merchants
- Earn BPoints from B Infinite

3. Who can register as B Infinite Pay user?

- Existing B Infinite Members who are holding physical or virtual B Infinite card
- New B Infinite Members who register for a new B Infinite card
- Age 18 and above
- Malaysians

4. How to register as B Infinite Pay user?

Just download our B Infinite Mobile App from Apple App Store, Google Play Store or Huawei AppGallery. Please ensure that your smart phone's operating system is updated to the latest version as we support iOS 10 and above, Android OS versions 7 and above, and HarmonyOS versions 3 and above. If you are still unable to download our mobile app, please email us at enquiry@binfinite.com.my.

Once you have downloaded the B Infinite App, please register for a new B Infinite card and opt in for the e-wallet. It's just a few simple steps:

- a) Complete additional information required
- b) Set your preferred 6-digit Transaction PIN (this PIN is in addition to your B Infinite card PIN)
- c) A message will be prompted to notify you of your registration status

5. What do I need to do if I already have the B Infinite App?

A new version of the App will be made available at Google Play Store, Apple App Store, or Huawei AppGallery. If you have set your phone on auto update the B Infinite App will be auto updated. Else, you need to manually update the new App. Thereafter, you need to sign up, register and opt in for the e-wallet.

6. **Once I've updated my B Infinite App, should I proceed to login or sign up?**

Please follow the login guide below after you have updated or download your B Infinite App. Thereafter, you can opt in for the e-wallet.

Guide	And you have an existing website account	And you do not have a website account

You may select “Change my B Infinite Pay PIN” in your user profile page. Enter OTP that will be sent to your registered mobile phone number and the new B Infinite Pay PIN.

Security & Privacy

1. What should I do if I lost my mobile phone?

To safeguard your account, we recommend that you take the following steps:

- a) Contact your mobile operator to block your SIM card immediately to avoid any attempt to request OTP to reset your B Infinite Pay e-Wallet password/PIN.
- b) You can also sign in into another phone so the B Infinite Pay account in the other phone can be signed out.
- c) Change your passwords and block access to your email accounts on your phone so that anyone who has your phone will not have access to your email accounts.

- d) Request a new SIM card from your mobile operator. Login to B Infinite APP on your new phone – change your passwords for your app login, transaction PIN and B Infinite card PIN is highly recommended.

2. **What should I do if I can't use my e-wallet even though I have funds in it?**

You may contact our customer hotline at 03-21418080 from Monday to Friday (9am to 6pm excluding public holiday) by providing your personal details such as full name, registered email address and contact number for assistance. We will investigate and process your request within 3 to 5 working days.

3. **How to keep my e-wallet safe?**

- a) Make sure your phone is set with auto screen lock.
- b) Never share your B Infinite App password with anyone
- c) Never share your B Infinite Pay 6-digit Transaction PIN with anyone
- d) Never store your password or PIN in a readable format inside your mobile phone
- e) Never set password or PIN that is not easily guessed by other your own birthday

4. **Is my personal information safe?**

All personal information and payment transactions are encrypted and protected. BLoyalty complies to the Personal Data Protection Act & Financial Services Act 2013 whereby any customer information stored is protected and not shared with any unauthorized 3rd parties. You may view our privacy policy at <https://www.B Infinite.com.my/privacy>.

Jailbroken / Rooted Devices

1. What does jailbroken / rooted devices?

Jailbreak is defined as the privilege escalation of an Apple device for the purpose of removing software restrictions imposed by Apple on iOS, tvOS & watchOS operation systems. iOS devices will then be vulnerable includes but not limited to: Apple iPhone, Apple iPad, Apple iPod Touch & Apple TV2.

Rooting is defined as a process of allowing users of smartphones, tablets & other devices running on the Android mobile operating system to attain privileged control (known as root access) over various Android subsystems.

Both jailbreak & rooting allow privilege access to system files that can be manipulated to enable installation of apps, themes, & extensions that are not supported by Apple & Android, hence unavailable for download and install on Apple Apps Store & Google Play Store.

2. Does B Infinite Pay support jailbroken / rooted devices?

No, we don't support jailbroken / rooted devices or any device that has been altered in any way to protect the security of our users.

Support
